SPRING BREAK *art camp* APRIL 22-26, 2019

PROGRAMS

mini masters camps

ages 3-5

The Mini Masters Program here at Emerge caters to children ages 3 to 5. This is a drop-off camp program. Camp activities introduce young children to all areas of art, including pottery, painting, drawing, and more! We ask that all children enrolling in the camps be potty trained.

emerging artist camps

grades K-5

The Kids' Emerging Artist Program at Emerge offers children ages 6 to 10, the opportunity to experience the world of art through fun, interactive programs including activities such as painting, potter's wheel, printmaking, photography, and much more!

advanced youth camps

grades 5 & up

The Advanced Youth Program at Emerge is a great opportunity for tweens and teenagers to expand their knowledge and expertise in various areas of fine art. We pride ourselves on being able to provide high quality hands on activities like metal design, potter's wheel technique, alter native photography, painting with advanced method and materials, and so much more!

*Please note: When possible, children are separated in classes by age. Typical breakdowns for spring break art camp are as follows: (3-4), (5-6), (7-10), (11 & up). Please be aware that we require a minimum number of children per class. On days of low enrollment children may be grouped into classes differently, or in the same class, however, they will always be separated into groups by age.
