ABOUT EMERGE

The Pitt County Arts Council at Emerge is the local arts council for Pitt County. The PCAC at Emerge is located in a facility with over 8000 square feet, at 404 S. Evans Street in Uptown Greenville. There are three main gallery spaces, including two that rotate monthly with new exhibitions. There are also three smaller gallery spaces around the art center for community and student exhibitions to be shown.

Emerge has a full art center including a pottery facility with 13 potter's wheels, a metalsmithing studio, photography classroom, and two general classrooms. Emerge offers weekly adult and children's classes, workshops, and special events, as well as a full children's summer program.

Part of the PCAC at Emerge's mission is to make the arts accessible to the entire community. For every five paid programs, one is completely free and targeted towards at-risk or underprivileged youth. We do this through after school music and art programs in the Pitt County Public Schools, artist in residency programs, and our Youth Arts Initiative program that includes scholarships and our Youth Public Arts Project.

PROGRAMS

MINI MASTERS

The Young Artist Mini Masters' Program here at Emerge Gallery & Art Center caters to children ages 3 to 5. This is a drop off camp program. Camp activities introduce young children to all areas of art including pottery, painting, drawing, and more! We ask that all children enrolling in the camps be potty trained. Please note: Participants will be separated into appropriate age groups depending on the number of attendees.

EMERGING ARTISTS

The Kids Emerging Artists' Program at Emerge Gallery & Art Center offers children grades K-5 the opportunity to experience the world of art through fun, interactive programs including activities such as movie making, claymation, music videos, painting, potter's wheel, printmaking, photography, and much more! Please note: Participants will be separated into appropriate age groups depending on the number of attendees.

ADVANCED YOUTH

The Advanced Youth Program at Emerge is a great opportunity for "tweens" and teenagers to expand their knowledge and expertise in various areas of fine art. We pride ourselves on high-quality, hands-on activities not capable in most schools such as metal design, potter's wheel techniques, alternative photography, painting with advanced methods and materials, film editing, and more. Youth Camps are opportunities for youth to immerse themselves in the art area of their choice. Participants will work on in-depth art projects in the set area. Please note: Participants will be separated into appropriate age groups depending on the number of attendees.

VOLUNTEER PROGRAM

Emerge Gallery & Art Center (a non-profit 501-(c)3 organization) seeks ambitious and dedicated youth ages 15 and older to assist with our summer camps for children. Volunteers will help Emerge Staff with a variety of tasks, such as setup and cleanup during children's summer camps as well as serving as assistants to Emerge Instructors. Participants will receive an official letter documenting hours and service with our organization for use if their school or civic organizations require volunteer hours. To participate students must fill out an application and meet with Paula Rountree, the Programs Director prior to their week of service. This program is free. Please note: As a benefit of membership, first priority in scheduling is given to youth and families that are members of the Pitt County Arts Council.
