The Odd Barbie is where the iconic doll of American pop culture is cut up, glued down, juxtaposed with all sorts of objects, and transformed in a new mode of self-expression. As the world's best-known blonde, a need to change is inevitable. The Odd Barbie Show was first exhibited in 2002. This year, we are bringing Barbie back! The minimum bid of each auction item will be \$25. This year, 100% of the proceeds go to the Emerge Education Fund. The auction will be virtual and open for the length of the exhibition.

The exhibition and auction dates are November 5 - 29, 2021. Winning bidders will be able to pick up their treasure at the close of the exhibition, on Tuesday, November 30 through Friday, December 3, 2021.

Emerge Gallery is located at 404 S. Evans Street in Uptown Greenville. The show is free and open to the public during our open hours. Face masks are required for all gallery patrons, adults and children, regardless of vaccination status. For more information, visit [www.emergegallery.com](http://www.emergegallery.com) or call [252] 551-6947.

For The Odd Barbie Show, we've changed platforms for the auction to Betterworld. Their mission is to provide organizations with beautiful, easy-to-use, highly effective fundraising tools that are completely free. And they think the world would be a better place if nonprofits kept all of what they raised.

So, as you are setting up your account and bid this evening and into the rest of November, please consider covering the credit card transaction fees and the fundraising cost. This will make sure that a charitable firm continues to help non-profits raise money, without fees!
